Pursuant to Title 19, Subsection 245 (a) of the Virgin Islands Code, the Government Hospitals and Health Facilities Corporation, hereinafter referred to as GHHC, The Territorial Hospital Redevelopment Team (THRT) on behalf of the Gov. Juan F. Luis Hospital & Medical Center (JFL) will receive proposals for the work described below. Proposals will be received **until October 28, 2021 @ 2:00 PM ATLANTIC STANDARD TIME.**

DESCRIPTION OF WORK:

The proposed Gov. Juan F. Luis Hospital & Medical Center Replacement Hospital Project consists of a new acute care hospital building with emergency services, imaging, inpatient services, and patient beds which will replace the existing hospital. The existing hospital will be demolished. Most of the new hospital will be placed over the footprint of the existing hospital. There will also be a detached central energy plant building. Provisions will be made for future horizontal expansion. The total area of the proposed new structure will be approximately 440,000 GSF. There are no basements anticipated, but there is potential for below-grade utility tunnels and a cistern. Pepper Tree Road defines the site to the west, and the address is 4007 Estate Diamond Ruby. Current existing grades vary from elevation 165 ft to 200 ft. The local codes include the International Building Code 2018.

NEGOTIATED PROCEDURES:

The Territorial Procurement Manager (TPM) will appoint an Evaluation Committee to assist in evaluating and selecting the vendor. Accordingly, proposals shall be reviewed and rated on the selection criteria outlined in the **“Factors for Discussions.”** After reviewing and rating the proposals, the Committee may select for discussions from the firm/s or person/s **deemed to be the most highly qualified to provide the services herein required.** Discussions will be conducted with the firm/s or person/s so selected. In addition, the Committee may select to conduct discussions and/or oral presentations from the firm/s or person/s, not less than two (2), deemed to be the most highly qualified.

FACTORS FOR DISCUSSIONS

Selection criteria will include (i) Professional qualification, registration, and general reputation of principals of the firm or person; (ii) the extent to which the firm or person specializes in or has provided services of a type and scope similar to the hereunder; (iii) familiarity with the location (s) in which services will be performed; (iv) project approach and capability of meeting schedules; and (v) quality of performance on other similar projects. Proposals will be evaluated according to the following criteria in descending order: (a) Qualifications(30pts), (b) Experience(30pts), (c) Cost (20 pts), (d) References (10), and (e) Project Approach (10). The Evaluation Committee may, at its option, request any or all proposers to participate in on-site or virtual interviews.

Proposers may only ask questions that are intended to clarify the questions that are being asked to

NEGOTIATION:

The Evaluation Committee shall recommend to the Chief Executive Officer (CEO) the **highest qualified firm or person with whom a contract shall be negotiated as a result of the Committee's scores from the written proposals or discussions-oral presentations if conducted.** With the assistance of the Evaluation Committee, the CEO shall attempt to negotiate a contract with such firm or person.

Should the CEO be unable to negotiate a satisfactory contract with the firm to be the most qualified, at a price determined to be fair and reasonable to JFLH, negotiations with that firm will be formally terminated. Negotiations will then be commenced with the second most qualified, the third most qualified, or additional firms to preference and their competence and qualification and shall continue until an agreement is reached.
